SESAME

In case of food allergy, intolerance or hypersensitivity refer to the menu and alert service personnel.

VI.CO.OK, while complying with the most scrupulous observance of hygiene and health rules during food preparation, cannot guarantee the absolute absence of traces of these allergens in the dishes served in this canteen.

Vicook, depending on seasonal availability, uses fresh or thawed quality products (indicated with * o *)

It should be noted that once the food is taken away from the serving premises, the responsibility for its proper storage no longer lies with the service provider.

Vicook
